### Is your child an Open or Novice competitor?

Once a competitor has placed in a section (with 5 or more competitors) at any dance competition (first, second or third), they must enter the following two years as an open competitor for that genre.

All Aggregate winners and runners up (open and novice) are no longer eligible to enter any novice sections in future Eisteddfods.

From 2020 there is no longer a Novice Aggregate. Novice Encouragement awards may be awarded in lieu. Please see our rules document for further clarification.

From 2021 the Open Aggregates will be awarded based off the total points accumulated from a maximum of 8 solo section results per competitor. Open category soloists may enter more than 8 sections; however, the aggregate will only take into account the top 8 section placings per competitor.

If in doubt, check with your dance teacher before entering
